THIRD AMENDMENT UNDER 37 C.F.R. § 1.312a

Sir:

Applicants received no response to the second amendment under 37 C.F.R. § 1.312a, dated April 2, 1993. It appears that this is because part of the amendment dated March 26 contained a minor typographic error, which caused the examiner to decline to enter it. Indeed, the second amendment was intended to correct the first.

In view of the situation, applicants have no recourse but to file a third amendment, as follows:
